

Money

Why is gold valuable? People want it, yes, but there's more to it than that. It's hard to get. It's shiny. it's beautiful. it's trusted. and there is a finite supply, especially on Earth. The combination of being both desirable and hard to get it what makes it valuable

Why is a dollar bill valuable? Because people believe it is. And if you are in the USA and don't accept it as payment you can be thrown in jail. This is what makes it valuable, faith and the threat of violence.
