### Discussion Questions

Do you know anyone who freelances? Do they seem more relaxed or more stressed than regular full-time employees? Why do you think this is so? Do you plan to work as an employee or a freelancer in your next job? Why?

What do you think the main differences are between employees and freelancers? Which job is more secure? Which job pays better per hour? What kind of people (personality types) are more suitable for full-time employees? What kind of jobs are more suitable for freelancers?
