1337

one of the best hackers or coders that you know

"You should really watch out for SatanSpawn666, he is totally 1337."

Alpha geek

the person whom the other engineers turn to when they encounter a problem they cannot solve

"I can't find the source of this bug, so I guess I will ask the alpha geek what he thinks."

ASAP (As soon as possible)

getting it yesterday, or even last week, would have been nice

"Bill Lumbergh told Peter Gibbons that he needed those TPS reports on his desk ASAP!"
