Alt (Alternate key)

a special key which can open toolbar windows, assist other commands, or change the accent over a letter

"On Macintosh computers, the Alt key is called the Option key."

Arrow keys

a set of four input buttons on a keypad or keyboard often used for navigation in interfaces or applications

"The girl used the arrow keys to move the spaceship in the video game."

Caps lock key

a key which toggles letters between upper and lower case

"The caps lock key is a frequent cause of problems when users log on to computer systems."
